Original Mounting Kit

* Will not mount ProPlus/Platinum Series winches.

(A) For ProPlus 9000X/Platinum Series must use mounting spacer kit P/N 251047.

(CC) For 9,000 lbs. rating, use optional 600 amp or larger battery to develop full winch capacity.

(I) Fits 1978-79 Bronco, 1967-79 pickups except F-350 prior to 1978; will not fit vehicles with open channel frame.

(O) For winches with hawse fairlead only.

(T) Will not fit 2WD diesel F-250 and F-350. Transmission oil cooler lines interfere with RE winches.

(W) Bumper decreases air flow when used on diesel models. Optional Air Scoop Kit 256101 recommended.
